

## SWIM by Efe

And the float is the fun in front of me

Swim,

Swim like me

Long fun hours and the waters under me,

Swim,

Swim like me

Splish, splash splosh

The waters surrounding me

Swim,

Swim like me

Arm and legs spread wide,t

Floating over the deep, dark waters

Suns going higher,

People praising me,

Parents raising me to swim 100 metres

Swim,

Deep dark waters and the pressures over me.
