

Jump

***And the beam is
the silence in front
of me***

***Jump
Jump like me***

***Long high beam is
the silence in front
of me***

***Jump
Jump like me***

***Feet hit sound
And the beam
likes it ready,
The people still
steady***

***Jump
Jump like me***

***Bar is danger
And the silence is
daunting me***

***Jump
Jump like me***

***Bar bounces
And the danger is
over me***

***Jump
Jump like me***

***Swing
Swing
Swing
And the mat is
under me***

***Swing
Swing
Swing
And the people
are cheering me
jump
Jump like me***

***Sun coming up
And the people
are praising me***

***Next is vault that's
the one i was
waiting for***

***Jump
jump like me***

***Run
Run
Run
Jump
Jump
Jump
And do a flip.***
