

Online Safety Chatterbox

To learn how to make and play your chatterbox, either scan the QR code below, or with a trusted adult search online.

Complete this activity with an adult

1. Discuss the different ways we use technology to chat with others - video calls or email for example. How many can you list? Write one in each blue box - email has been done for you.
2. When we communicate online we need to be respectful. Discuss what respectful means. Write words in the red boxes linked to respect. For example, 'kind' which has been done for you.
3. Cut out, make and play your chatterbox to discuss the questions about being respectful online.

What would you do if someone was disrespectful to you online?

How can you be respectful to others online?

Why do we communicate with others online?

Why should we be respectful to others online?

kind

email
